

You will need the following materials to make your earrings:

- Nylon beading thread (ask your supplier for this specific thread).
- No. 16 beading needle (or equivalent).
- No. 10/0 Czech pearl beads (also called “seed beads”): You will need 3 to 5 colours for your earrings.
- A piece of leather or felt about 20 cm by 20 cm to place your beads on.
- Hook earwires for pierced earrings.

You can get these materials at the following Indigenous suppliers that we recommend:
